Crisis Shelter for Women and Children

Main Street Church invites women and their children in crisis to stay overnight at our shelter December 1—February 29. Guests are invited to stay overnight at the church when temperatures are predicted by *The Index Journal* print edition to be 40 degrees or below. Pick up on these nights will be 6:00 pm at the Greenwood County Library, and guests will be served a light supper and given a chance to shower. The next morning, they will receive breakfast before being transported back to the Greenwood County Library. If interested in helping, call the church office at 229-7551.

Coats Needed

The temperature is dropping and coats (ALL SIZES) are needed for Main Street's Coat Closet. Please bring your coats to the church office.
